

TechNova Solutions - IT Support Guide

1. Password Reset

Passwords expire every 90 days. To reset, visit the self-service portal. If locked out, email helpdesk@technova.example. Reset requests are processed within 24 hours.

2. VPN Access

VPN is mandatory when working from home. Install the company VPN client from the IT portal and log in with your employee ID. VPN access needs approval from your manager.

3. Laptop Issues

Report hardware faults through the IT ticket system. Replacement laptops are issued within 5 working days. Never install unapproved software.

4. Support Hours

IT helpdesk is available Monday to Saturday, 8 AM to 8 PM. Critical outages are handled 24/7 by calling extension 1100.
